Employment Centre

What We Do

ATEC is committed to helping clients enter into the workforce or explore and discover a new career path. We have a dedicated staff who offer support and the following:

- Employment counselling
- Self-directed job search
- Industry training
- Essential Skills assessments and training
- Academic assessments
- Funding for training
- Funding for job starts
- Referral services

Looking for Work

Our Employment Counsellors work with clients to explore their employment options and develop return to work action plans. This process can include several approaches, such as:

- Job Search Skills
- Career decision making
- Resume writing
- Employer connections
- Skill development

If you prefer to job search on your own, we offer:

- Job Board
- Computers for job search & resume writing
- Telephone & Fax for contacting employers
- Resume printing
- Labour Market Information

Sign up for our job postings email list.

Looking for Training

If clients require new training or re-training to enter the workforce, our staff may be able to help access funding to begin a new and exciting career path.

We can provide funding for the following occupational training.

- Industry recognized certification
- Certificate and Diploma programs
- Trades Foundation Training

In-house Industry Training Programs:

These programs are designed for people who have a foundation of employable skills, but lack industry specific skills or certifications.

Various programs are offered throughout the year and are based on Industry demand such as: Construction, Oil & Gas, Landscaping, etc.

Watch our Facebook page for new course offerings and job opportunities.
